**REMARKS**

Applicant notes that claims identified as numbers 84-93, which were added to the application in the Preliminary Amendment filed on December 20, 1990, should have been identified as claims 53-62, respectively. Applicant further notes that the Examiner has corrected the inadvertent error in claim numbering.

Claims 53 and 61 have been amended to clarify the term "a stabilized form." The basis for the amendment appears in the specification, for example, on page 18, lines 7-13. As such, the amendment does not add prohibited new matter under 35 U.S.C. § 112.
